

Discover an even deeper  
connection to Spirit

*“Excellent location - so close to Mother Earth - it was so easy to connect with the elements here... I really like the respectful, sacred way you present your knowledge - I liked the fact there was time for quiet reflection, all was very relaxed! You leave me with a burning desire to go more deeply into what it means to stand in my own light. I like the fact that you are so willing to share your truth and teachings and speak with the greatest humility... To heal the Earth we have to heal Self in relationship with Creator, Others, the Universe!! Before we go without, we need to go within. This program did both! The Goddess is within...we are our own greatest healers!!!!*

## Accelerated Shamanic Healing

Sacred Ceremonies and Shamanic Healing have been performed by our ancestors since the beginning of time. It is now time for all ancient wisdom to be shared. Mother Earth is going through major transformational changes leading our bodies to vibrate at an increased frequency. This is bringing up all unresolved issues for us to deal with. As the increasing of the vibration continues we are able to experience more and more of our essence.

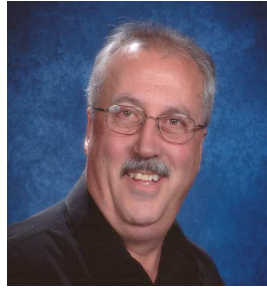

John Tozeland will be offering this six day intensive, focused on learning many ancient practices/rituals/meditations, connecting with Spirit and healing in Body, Mind and Spirit. We will be experiencing the wisdom of many masters, Depak Chopra, Tom Kenyon, Gregg Braden and Drunvallo Melchezedek, to name a few. A major focus will be on healing with sound.

This retreat will be held at Falcon Lake, Manitoba. Space is limited and a \$ 100 non-refundable deposit is required to hold a spot for you.

### You will experience:

- \* Ancient Hawaiian chants
- \* Emotional Healing
- \* Toning & sound vibration
- \* Ancient Initiations
- \* The remembrance of your Essence
- \* The secrets of Huna Magic
- \* Ancient Hawaiian energy symbols
