"This has been the best workshop I have ever attended. It was a safe place for me to open up and let my emotions float free. I totally enjoyed it... I felt that the facilitator guided me through perfectly"

M. Flowers - Hopedale LB

"I came into this experience with an open mind, and on the other hand I was apprehensive, being afraid of the unknown. However I wanted to resolve some issues which were emotionally crippling me. After this experience I feel released and able to 'let go'. Thank you John"

A. Doorenbos - Thompson, MB

"Outstanding, I haven't begun to realize fully the impact this course is going to have on my 'NEW' developing self. I've gone from being a caregiver, to giving care to myself."

B. Imlach - Winnipeg, MB

"Excellent, the experience can not be described. I think everyone should experience this as we live in a world today that is rushed and no one really takes time for themselves to re-connect."

2012/2013 EDITION

“John Tozeland is a talented, generous, and inspired teacher – one who generates deep gratitude in your heart because if such a teacher has presented, then, indeed, the student must be ready. With just a 30 second conversation, he can gently plant a little seed that grows into such huge and beautiful changes in your life that there is no turning back – thankfully. John is nothing short of a gift in my life.”

H. Bishop – Musician and Artist

“I first met John Tozeland approx 8 years ago while I was manager of Community Counselling and Addictions Services of Sioux Lookout. He had trained several of my staff in Hypnotherapy and Neurolinguistic Programming (NLP) and I was struck by both the enthusiasm and practical skills they brought back to the office. I subsequently took 8 weekend courses with him, completing his training in NLP and Hypnotherapy. I have since taken many more courses in clinical hypnotherapy and will shortly complete the advanced level of the Canadian Society for Clinical Hypnosis. I only mention this to note that John’s course remains the best and most comprehensive I have taken yet.”

R. Schwindt – Social Worker

“Awesome! Perfect way to work through own issues and letting go of ‘old stuff’ The more I work with this material, the more excited I become! There is endless potential to assist self and others to open, learn, grow & expand, to realize/live one’s full potential as a divine being. As a teacher you are comfortable with the material, knowledgeable, & supportive. The pace and material is perfect to foster learning.”
